# RETROMAGS

Our goal is to preserve classic video game magazines so that they are not lost permanently.

People interested in helping out in any capacity,  
please visit us at [www.retromags.com](http://www.retromags.com).

No profit is made from these scans, nor do we offer anything  
available from the publishers themselves.

If you come across anyone selling releases from  
this site, please do not support them and do let us know.

Thank you!
